

Female Plug Uglies.

A convention of crazy women has recently been in session in Vermont. Mrs. Julia Branch, of New York, branched out in the following resolution on the 26th ult:

Resolved, That the slavery and degradation of women proceed from the institution of marriage; that by the marriage contract she loses the control of her name, her person, her property, her labor, her affection, her children, and her freedom.

Julia's experience in being transferred from an independent body to a mere branch was very unfortunate, no doubt. Her resolution produced an exciting discussion, participated in by Mrs. Branch, J. S. Foster, Joel Tiffany, Mr. Savey, Mrs. Ernestine L. Rose, G. W. Coaus, and others.

The afternoon session was devoted to a discussion of the slavery question, and speeches were made by Messrs. Parker Pillsbury, Goodale, J. S. Foster, Mrs. Rose, and others.

Mr. Foster cared nothing about the Union; he would say, rather than a single slave should be held in bondage, down with the Union, down with the constitution, down with religion, down with the Church, down with the Bible, and let all go to hell and damnation.

An inquisition of lunacy is very much needed in behalf of some of those people in Vermont.
